

Sandbrook Co-Production Group

We need your help to design a new service for people with Learning Disabilities and Autism in Sefton. This new service will support people who:

- are in difficult times.
- need a more detailed assessment.
- have nowhere to live that meets their needs.

This will be called a **Short Term Assessment Unit (STAU)**

We want you to work together with us to create and design the best environment for those who will use it. We would like to invite you to the first meetings of the **Sandbrook Co-Production Group.**

Please contact Steven Metcalf if you would like to come to one of these meetings.

steve.metcalf@sefton.gov.uk

Steven Metcalf on
07815 654 469

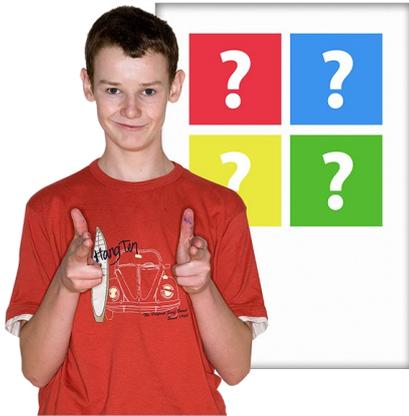

If you cannot come to the meetings but want to find out more information you can on Sefton Council's website.

www.sefton.gov.uk - search for STAU

At the first meetings we will agree what we need to do and how people can stay involved.

You will get the opportunity to be part of the design of this new service, including:

- Decoration and style
- Sensory room design
- Furnishings and lighting
- Outdoor and shared spaces

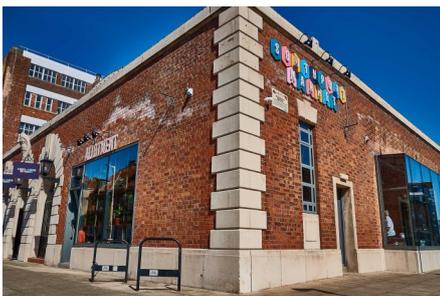

Refreshments will be provided at each meeting.
